IBM IOT WATSON DEVICE CREATION

The screenshot shows the IBM Cloud console interface. At the top, there's a navigation bar with 'IBM Cloud', a search bar, and links for 'Catalog', 'Manage', and the user profile 'RAKESH K M's Acco...'. Below this, the 'Resource list' section displays 'Internet of Things Platform-cj' with a green 'Active' status and an 'Add tags' link. A sidebar on the left under the 'Manage' tab lists 'Plan' and 'Connections'. The main content area features a large graphic of a central node connected to various devices, with the text 'Let's get started with IBM Watson IoT Platform' and a description: 'Securely connect, control, and manage devices. Quickly build IoT applications that analyze data from the physical world.' There are 'Launch' and 'Docs' buttons. Below this, a section titled 'Ready for the next level?' shows the 'IBM Watson IoT Platform Journey' with three stages: 'Lite', 'Non-Production', and 'Production', each with a brief description of the service plan.

The screenshot shows the IBM Watson IoT Platform dashboard. The header includes 'IBM Watson IoT Platform' and a user profile 'sec19ec082@sairamtap... ID: (select org)'. The main area has a dark background with a circuit-like pattern. It features two main sections: 'Collect data from' on the left and 'and make value from it' on the right. The word 'Cars' is prominently displayed in the center. A 'Learn More' link is at the bottom center. On the right side, there's a sidebar with the user profile 'nfdp5u (ID nfdp5u) Bluemix Free' and a 'Sign out' button. A 'Cookie Preferences' link is at the bottom right.
